Dear Heather we have been to see Don & Mgt in Bristol and been writing some dates down from Pt Hetty's old birthday book. You might have some of these dates already but here goes.

We have a framed certificate  
for TOM SWINBURN 25 years service  
at R.R. dated April 1935.

We have also found a copy of Mr Hall's  
funeral service - dated 16.7.1910.  
presumably Tom had only just started  
work when this happened.

Have found some photos but many are not dated -

We will have a word with Monica & Ray re Questionnaire -

Cheers -
